

## Lost at Sea – Do you know the names of the seas?

As he brought the good news of the gospel to the people living near Israel, St. Paul did a lot of travelling on the seas in the area. This puzzle is about seas in or near Israel and in southeastern Europe. Use the clues, maps and your Bible to find the names of the other seas described below.

1. This sea is located to the east of mainland Greece and west of Turkey. The name has more vowels than consonants.

2. The Israelites crossed this sea after a miracle created a dry path for them.

3. This sea was created after the destruction of Sodom and Gomorrah.

4. This sea that lies to the east of Bulgaria, and north of Greece.

5. Israel, Turkey, Greece, Egypt, Italy, and many other countries border this large sea on which St. Paul often travelled.

Using the letters in the pentagon for each answer (in the order given), what word describes the kind of news the angels told the shepherds about on the first Christmas.
