

Where in the World is it?

A lot of people don't know where Bulgaria is! Now that you've read a little about the country, you probably know. There are some other countries on the same continent. Color each European country blue and those on another continent yellow. This will create a picture of something precious to people on every continent.

China	Bolivia	The United States	South Korea	Indonesia
Guatemala	India	Italy	Brazil	Japan
Canada	France	Bulgaria	Germany	Argentina
Honduras	Zambia	Greece	Chile	Thailand
Nigeria	Venezuela	Norway	Pakistan	Panama
Australia	Mali	Scotland	Zimbabwe	Cambodia
Paraguay	New Zealand	Tanzania	Malaysia	Swaziland
